

Districtwide Improvement Committee Minutes

August 28, 2002

Maggie Napper presented the proposed Campus Performance Objectives for Randolph Middle School and High School for the 2002-2003 school year. The proposed CPO stated **"To improve the ability of all students at RMS/RHS to effectively and clearly communicate through the writing process with a focus on point of view, propaganda and fact-opinion. Low performing students will be identified on the basis of a baseline assessment and will be reported separately. Those students who have been identified as "at-risk" will also be reported separately"**. Specific connections were made between the CPO and the District Instructional Goals.

The proposed Campus Goals addressing violence, substance abuse and parent involvement were also outlined. These proposed goals are

- To reduce violence among RMS/RHS students,
- To decrease substance abuse among RMS/RHS students
- To increase community and parental involvement at RMS/RHS.

The Districtwide Improvement Committee approved the Randolph Middle School and Randolph High School Campus Performance Objectives and Campus Goals.

David Gibbs presented the proposed Campus Performance Objective for Randolph Elementary for this school year. The proposed CPO stated **"All students will increase their mastery of all Texas Essential Knowledge and Skills math objectives by engaging in problem solving. Each team will identify and target low performing students"**. Specific connections were made to the District Instructional Goals.

The proposed Campus Goals addressing parental involvement, violence, and substance abuse were outlined. These proposed goals are

- To increase parental involvement in our focus on student achievement our school will do the following: provide babysitting services to increase parent attendance for parent education opportunities; maintain regular communication with parents through homework folders, assignment sheets, classroom newsletters and/or principal newsletters; provide parents with specific suggestions about ways to help struggling students and present parent education opportunities such as TAKS Night, Kinder and First Grade Parent Reading Academies, Family Math Night and Grade Level Open Houses.
- To prevent and reduce incidences of violence our school will: Use each office referral as an opportunity to teach making responsible, non-aggressive choices; emphasize Randolph's "3 R's" throughout the campus...responsible, respectful and ready to learn; reinforce positive behaviors through recognition during morning announcements; discuss the seriousness of making threats with students in grades 4-5 and be "proactive" in addressing behavioral concerns by scheduling staffings on students experiencing difficulties and by developing appropriate intervention plans.
- To maintain zero incidences of tobacco, alcohol and drug use at our school: provide appropriate health lessons to each grade level and provide activities during Red Ribbon Week that focus on a healthy life style.
