

Districtwide Improvement Committee Minutes

November 4, 2003

Rita Polen shared the Academic Excellence Indicator System report, AEIS, with the committee. She discussed the TAKS results, attendance data, advanced placement information, and other data for the campuses and the district. This information will be shared in a public hearing prior to the board meeting on November 6.

The committee reviewed the draft of the Campus Improvement Committee Summary Report template. The draft was developed by a DWIC subcommittee (Diane Hogan, Laurel McCurdy, Deb Pannabecker, Bruce Cannon and Rita Polen). Revisions were made to the draft, and a final copy will be sent to the principals to share with their teachers and their CICs. The template will be used next year in August when each CIC reports to the DWIC on their results for 2003-2004.
