

## Districtwide Improvement Committee Minutes

September 5, 2000

The committee divided into three groups and reviewed the CIC clarifications of the DWIC's preliminary feedback. Each group drafted feedback to the campus they reviewed. The DWIC then reviewed each draft and made any changes that the committee agreed were necessary. The committee discussed and agreed on the DWIC Evaluation scores for each CIC.

Maggie Napper volunteered to chair a subcommittee to complete the wording of the feedback. Karen Bessette and Pat Franklin also agreed to be part of the subcommittee. Once the work of the subcommittee is complete, the feedback will be emailed to DWIC members for their comments. On Friday, September 8<sup>th</sup>, the final copy of the feedback for each CIC will be sent to CIC representatives to share with their rest of their committees.

Maggie Napper reported that the secondary physical education department had developed an Action Evidence that supported the reading comprehension CPO.
