September 13, 2001

# Committee

The Districtwide Improvement Committee reviewed the revisions made in the District Summary for 2000. The committee then updated the PowerPoint presentation to reflect those changes in the District Summary. How the presentation to the Board of Trustees would be made and who would be involved in the presentation were discussed, and the members selected the parts of the presentation they would conduct.

**Next scheduled meeting:      Monday, September 17, 2001**  
**Randolph High School**  
**Room 21**  
**4:00 PM**
