

Districtwide Improvement Committee Minutes

September 20, 2005

The Districtwide Improvement Committee divided into three groups to review the Campus Summary Report for a particular campus, and then drafted the feedback for that campus committee. The committee as a whole reviewed the draft for the elementary and finalized the feedback to them.

The feedback to the middle school and the high school will be finalized at the next meeting.

Next scheduled meeting: Wednesday, September 21, 2005
